

AIRBUS A319CJ

OVERVIEW

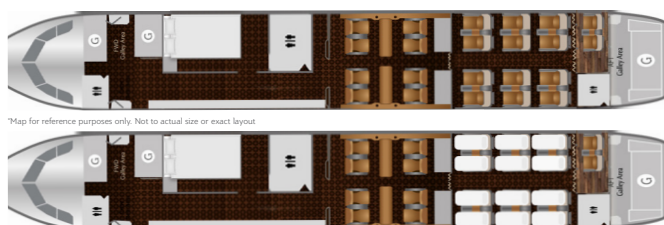

The Airbus A319CJ is an adapted version of the Airbus 319 commercial airliner, and although slightly shorter, can fly a greater distance.

Configured to accommodate up to 19 passengers, the QE VIP Business Airbus offers exceptional passenger comfort. The layout features a private bedroom with adjoining en-suite, dining areas and business class seating that will also sleep up to 12.

Ideal for larger group bookings, family trips or if you're looking to fly in incredible space and comfort.
