

GULFSTREAM G650ER

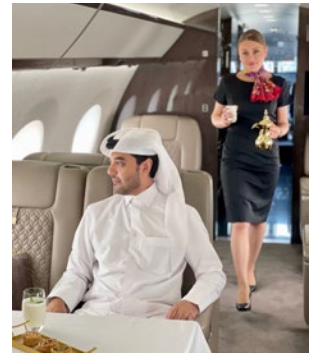

OVERVIEW

As one of the fastest ultra-long-range business jets in the world, the Gulfstream G650ER is also one of the most coveted aircraft among the global travelling elite. With phenomenal range capabilities, industry-leading cabin technology, and unparalleled passenger comfort.

The Qatar Executive G650ER aircraft can easily fly non-stop from the Middle East to North America or from destinations in Asia to Africa. Meaning it is perfectly suited for those whose travel needs include flights halfway around the globe.
